

Parents Make The Difference!

New this year! Growing With Children will offer a special make-it-and-take-it workshop especially for parents, **from 1-3pm**. Participants will begin a project during the workshop, be able to take it home to finish with their child and have a learning activity to keep using at home. Please invite parents to join us for this first-ever event, and remind them to reserve early!

Registration will be limited to the first 20 people, materials will be provided, and the fee for this 2-hour workshop will be \$15. Parents need to make their own arrangements for child care; the workshop is for adults only.
